2.2. Background on the organization

VVOB
VVOB – education for development is an organisation based in Belgium with more than 35 years of experience in sustainably improving the quality of education systems. VVOB has received support for this from multiple leading funding partners, adding up to a total annual budget of over 13 million euros spread over 10 country programs. VVOB reinforces the capacity of ministries of Education and their institutions to implement their education policies as effectively as possible. This guarantees the sustainability of results. The geographical, thematic and operational choices VVOB makes in each programme are informed by relevant research and the policy priorities of VVOB’s partner countries and formulated in partnership with their governments.

VVOB Vietnam

3.1. Context of the Consultancy

Background

VVOB is currently coordinating with the Ministry of Education and Training to integrate learning through play in the public primary schools in Vietnam. As such the objectives of the new General Education Curriculum that has been issued by the Vietnamese government will be met by helping young learners to acquire a breadth of skills, including cognitive as well as social, creative, physical and emotional skills. To this effect, the project will train (1) primary school teachers on how to apply play-based-learning methodologies in the context of the new curriculum and (2) school leaders and district officials on how to create an enabling environment for teachers to integrate learning-through-play including through the facilitation of school-based teacher professional development. With the input of the international consultant, VVOB will develop a LtP pedagogical guide, laying out the principles and objectives of LtP, its connection to the new curriculum, as well as providing concrete examples that inspire teachers to integrate LtP in the primary classroom. VVOB will also develop a LtP peer-learning roadmap to guide school leaders and district officials to organize school-based teacher professional development sessions that empower teachers to implement LtP.

To strengthen the quality of the learning materials and to enrich the content with international expertise and good practices, VVOB is recruiting an international expert on learning through play (LtP).

3.2. Objectives and scope of the consultancy

To achieve the set objectives, VVOB seeks to hire an International expert.
The **key objectives** of the consultancy are:

- To facilitate a total of 3 workshops in Vietnam:
  - an internal playful learning session of the iPLAY project team
  - learning session on LtP in the Orientation Workshop with project partners
  - presentation of the proposed LtP activities to test and validate the proposed methods
- To provide inputs for the National Consultation Workshop in Vietnam that will be held on April 2020.
- To provide advice and concrete examples of Learning-through-Play methods that effectively contribute to primary grade 1 to 3 children’s development of a breadth of skills.
- To provide inputs and comments for the drafts of LtP pedagogical guide and Peer-learning road map during material development process and training material.

### 3.3. Methodological requirements

- The consultant will work as facilitator using active learning methods, participatory approach in the internal learning session for the iPLAY team to ensure the team builds sound understanding on LtP in primary and as facilitator of 01 session in the Orientation workshop for the writer group in Hanoi that will be held on April 2020.
- The consultant will be requested to attend the National Consultation Workshop to understanding the Vietnamese context and based on that to have ideas for developing practical LtP activities.
- Based on inputs from the National Consultation workshop and discussion with iPLAY team during the Orientation workshop, the Consultant will develop practical LtP activities applying in classroom as good example for primary teacher.
- The consultant will work as reviewer to provide inputs, feedback, comment for drafts of LtP material and Peer-learning roadmap material during the material development process by email and training material.
- The consultant will work closely together with and report to iPLAY team, to ensure that outputs are developed and delivered in an approach that is relevant to the context and contract. Time bound activities, outputs and outcomes will be agreed, developed, and reported on during the progress meetings with the consultant and VVOB.
- An indicative methodology is proposed below.
- The contract will run from April 2020 to October 2020.
- All communication and documentation with VVOB will be in English.
- Meetings with iPLAY project will take place at project office in Hanoi, or via online tools.
